VACANCY ANNOUNCEMENT

MIPCO invites qualified candidates of all nationalities to apply for the position of **Electrical Engineer**.

Position Title	Electrical Engineer
Department	Maintenance Department
Reports To	Electrical Lead
Work Location	MIPCO Site
Eligibility	All nationalities
Closing Date	Within two (2) weeks of the announcement date

ROLE SUMMARY

The Electrical Engineer is responsible for ensuring the reliability, availability, integrity, and safe operation of plant electrical systems and equipment, including generators, transformers, HV/MV switchgear, motors, protection systems, UPS/DC systems, and associated auxiliary equipment. The role supports maintenance planning, troubleshooting, outage execution, reliability improvement initiatives, and contractor management while ensuring compliance with HSE, quality, and operational standards.

MINIMUM REQUIREMENTS

- Bachelor's Degree in Electrical Engineering.
- Minimum 10 years of experience in a similar role within a power and water generation facility.
- Strong knowledge of power plant electrical systems, maintenance practices, and fault diagnosis.
- Experience with HV/MV/LV equipment, generators, transformers, motors, switchgear, and protection systems.
- Familiarity with condition monitoring, root cause analysis (RCA), and maintenance strategy development.
- Experience in outage planning, maintenance execution, reliability improvement, and contractor supervision.
- Familiarity with relevant electrical standards, HSE requirements, and quality management systems.
- Good communication, reporting, and problem-solving skills.
- Good team leadership, coordination, and contractor management skills.

ADDED ADVANTAGE

- Experience in electrical testing, diagnostics, and commissioning of power plant equipment.

HOW TO APPLY

Interested and eligible candidates should submit their updated CV to **recruitment@mipco.ae**

Please quote the position title and vacancy reference in the email subject line.

Please note: Applications will be assessed against the minimum requirements above. Only shortlisted candidates will be contacted.

Equal Opportunity Statement: MIPCO welcomes applications from all nationalities and encourages qualified candidates to apply and contribute to MIPCO's continued success. Selection is based on merit, qualifications, and experience.
